Good morning. Steve Van Camp forwarded the attached e-mail to me. Steve has recently left the Budget and Control Board's Office of General Counsel to accept other job responsibilities within the Board. I am currently the person within the Office of General Counsel handling Board matters relating to Chem Nuclear. Please permanently substitute my e-mail address for Steve's on any Board related matters. Thank you for your help in this. Please call me if you have any questions or concerns. Thanks again.

See attached. I think that I'm the attorney receiving service for the BCB for the Chem-Nuclear PSC matters. You'll need to change that. Thanks. Stephen

Bob,

I hope that you are doing well. After reviewing some recently filed documents at the commission, I noticed Chem-Nuclear's 2010/2011 Least Cost Operating Plan. Do you think Chem-Nuclear is interested in presenting the information in this Report to the commission before the end of the year? Thank you for any consideration that you give this request.

Sincerely,
Jocelyn Boyd
